% Population in Malta 2013

■ Unemployed ■ Employed

% Population in Malta 2023

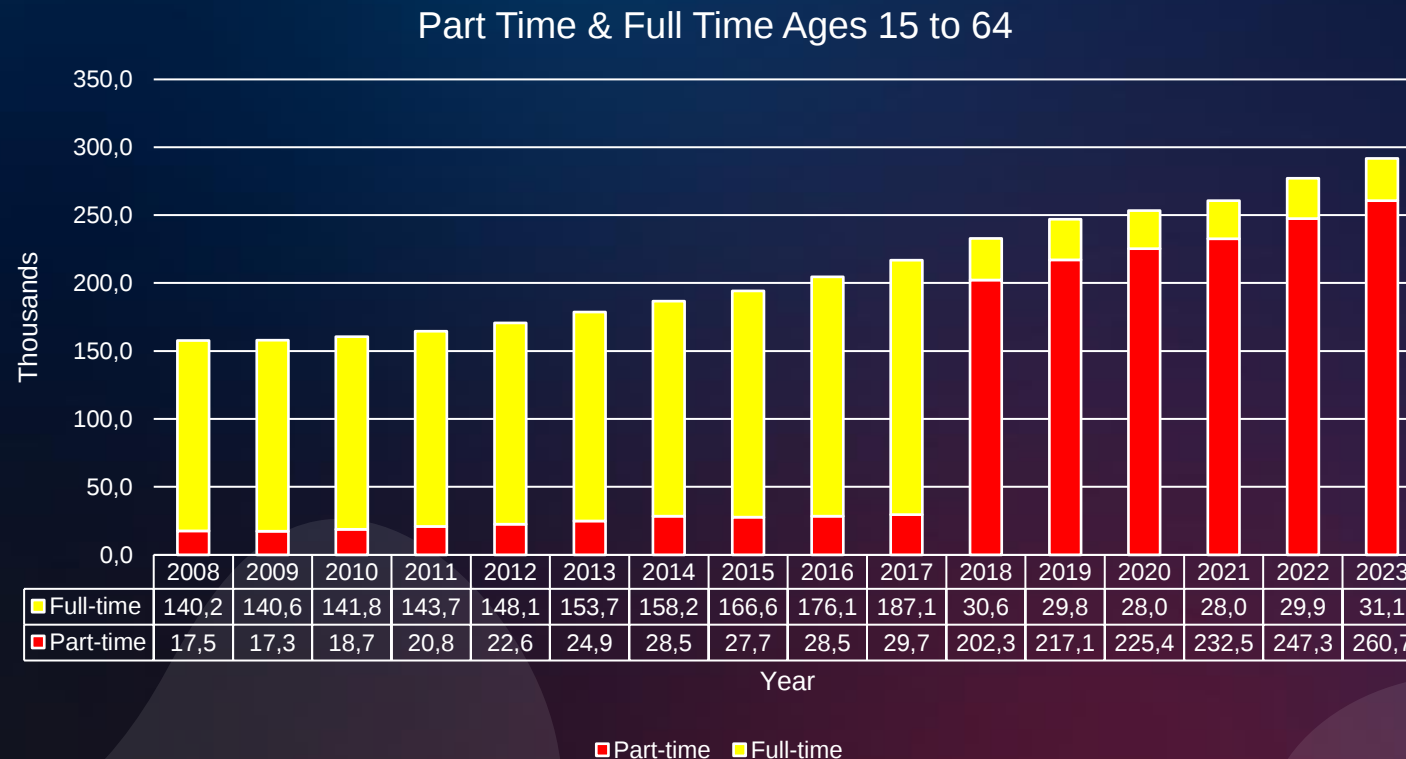

■ Unemployed ■ Employed

# – Labour Market Analysis ~ Part Time & Full Time

- Between the Ages of 15 to 64 we can clearly see how Part Time and Full Time have changed throughout the years. A massive shift can be noticed between 2017 and 2018 where Part time work has increased dramatically. One reason why there is such a big jump may be due to the 2017 General Election.
